

FLEP-Coop

Dive into the Female Leader Mentorship Programme in Co-operatives (FLEP-Coop), where opportunities for growth and impact abound.

Call For Applications

Are you a leader within the cooperatives, passionate about empowering women to take leadership roles? Your expertise and passion are exactly what we're seeking. Join us in driving the empowerment of women into leadership role in cooperatives in Kenya.

Mentorship objectives

This program is to accelerate leadership development of Kenyan women in co-operative organizations through mentorship and exposure to key stakeholders.

Indirectly we are aiming at:

- ✓ Enhance women's capacity for opinion formation and expression at a macro level.
- ✓ Equip mentees to develop inclusive work environments for women in leadership roles, addressing both family and career requirements at a broader societal level.
- ✓ Foster leadership aspirations among women in cooperatives.

Application Requirements

- Leaders in the Co-operative movement Aged between 30 and ideally 60 years old and operating in the respective partner country.
- Has at least 10 years' experience in leadership; preferably supporting women in Co-operative environments.
- Possess a profound comprehension of women-related challenges and the ability to mentor women towards enhancing their life skills effectively, while also cherishing the success of other leaders.
- Exhibit a diverse network within the cooperative community, particularly with policy makers, fostering collaborative relationship and promoting sustainable engagements.

How to apply

The application should include:

- A motivation letter / letter of application
- A recent Curriculum Vitae (CV)
- A technical proposal, with a detailed workplan.
- A Financial Proposal stating your compensation expectations in Kenya Shilling based on hourly rates.
- The applications should be submitted via email to mmueller@dgrv.coop and CC emuhia@dgrv.coop , drotich@dgrv.coop.
