### At the end of the my FLEP Coop mentorship this is what I wish to have achieved:

- Advocate for gender inclusivity in the Sacco sector.
- Sharpen my leadership skills and abilities.
- Grow and finesse my internal capacity to lead, and be led.
- Be the best version of myself always.

### My leadership aspirations in the co-operative sector are:

*Learn the much that I can about the cooperative movement: adopting and adapting to the changes in the Sacco sector, and being the best version of myself.*

### These are my most prevailing challenges I experience in co-operatives:

- The liquidity issues at my Sacco
- The 'voice' in my head, i.e. Imposter Syndrome

### This is why I want to be a leader in the co-operative space:

*To be able to champion gender sensitive leadership at each and every opportunity.*
