### Who I am:

I'm a child of God, a devoted wife, a loving mother, a caring sister, a loyal friend, a team player, and a driven career woman. I cherish life and am passionate about helping others live better and more enjoyable lives. I thrive on networking and making a difference in people's lives

### At the end of the my FLEP Coop mentorship this is what I wish to have achieved:

- Enhanced Leadership Skills
- Expanded my Network
- Continued Learning and Growth
- Increase my Confidence & Empowerment
- Initiate and guide Project of purpose

### My leadership aspirations in the co-operative sector are:

- Mentoring Future Cooperative Leaders
- Promoting Diversity and Inclusion
- Fostering Collaboration

### These are my most prevailing challenges I experience in co-operatives:

- Lack of Networking and Support
- Gender Bias
- Minimal or lack of access to resources

**This is why I want to be a leader in the co-operative space:** I want to be a leader not just for me but for the community .I want to Inspire my fellow women , foster collaborations, provide support and guidance.

At the end if the program I wish to be able to Mentor Future Cooperative Leaders, Promote Diversity and Inclusion and strengthen community ties which promote collective action through cooperative initiatives and projects.
